

For Our Father's House

Dear Church Family,

As part of our efforts to raise the remaining funds needed to make our vision a reality for the interior renovations of the church, we would like to make a very special offer to the church community.

There are a number of “naming opportunities” available that will help fund major aspects of this renovation. This is a way to remember loved ones or current individuals or families who have been integral to the life of Middleton Congregational Church in some way over the years. The designated person or persons would be honored both visually with an appropriately-styled nameplate as well as memorially in our donor book that will be displayed in the church.

Individuals or families may choose to contribute 100% of the funds personally, or groups may choose to work together to raise the funds collectively. Recognizing that these naming opportunities involve sizable financial commitments, the full amount may be paid out over a period of up to five years.

Please review the naming opportunities on the right and prayerfully consider how you might like to contribute. Please contact the Church office at (978) 774-3788 to discuss possible options and to commit to one of the many wonderful naming opportunities!
